Take advantage of this once-in-a-lifetime chance to help make walking and bicycling in Richmond safer, more convenient and enjoyable

Pedestrian & Bicycle Community Planning Events

✓ Concerned about traffic?
✓ Can’t get from here to there?
✓ Want to be able to walk or bicycle more?

Join your neighbors at these events.

■ Hear from nationally known walkable and livable communities expert Dan Burden.

■ Participate in a “walkabout” or “bike audit,” and design activities where you will have a direct role in creating a more walkable, bikeable Richmond.

■ After the workshops, consultants will translate your input into preliminary design improvements and recommendations.

■ Your vision and input will shape the future of Richmond.
